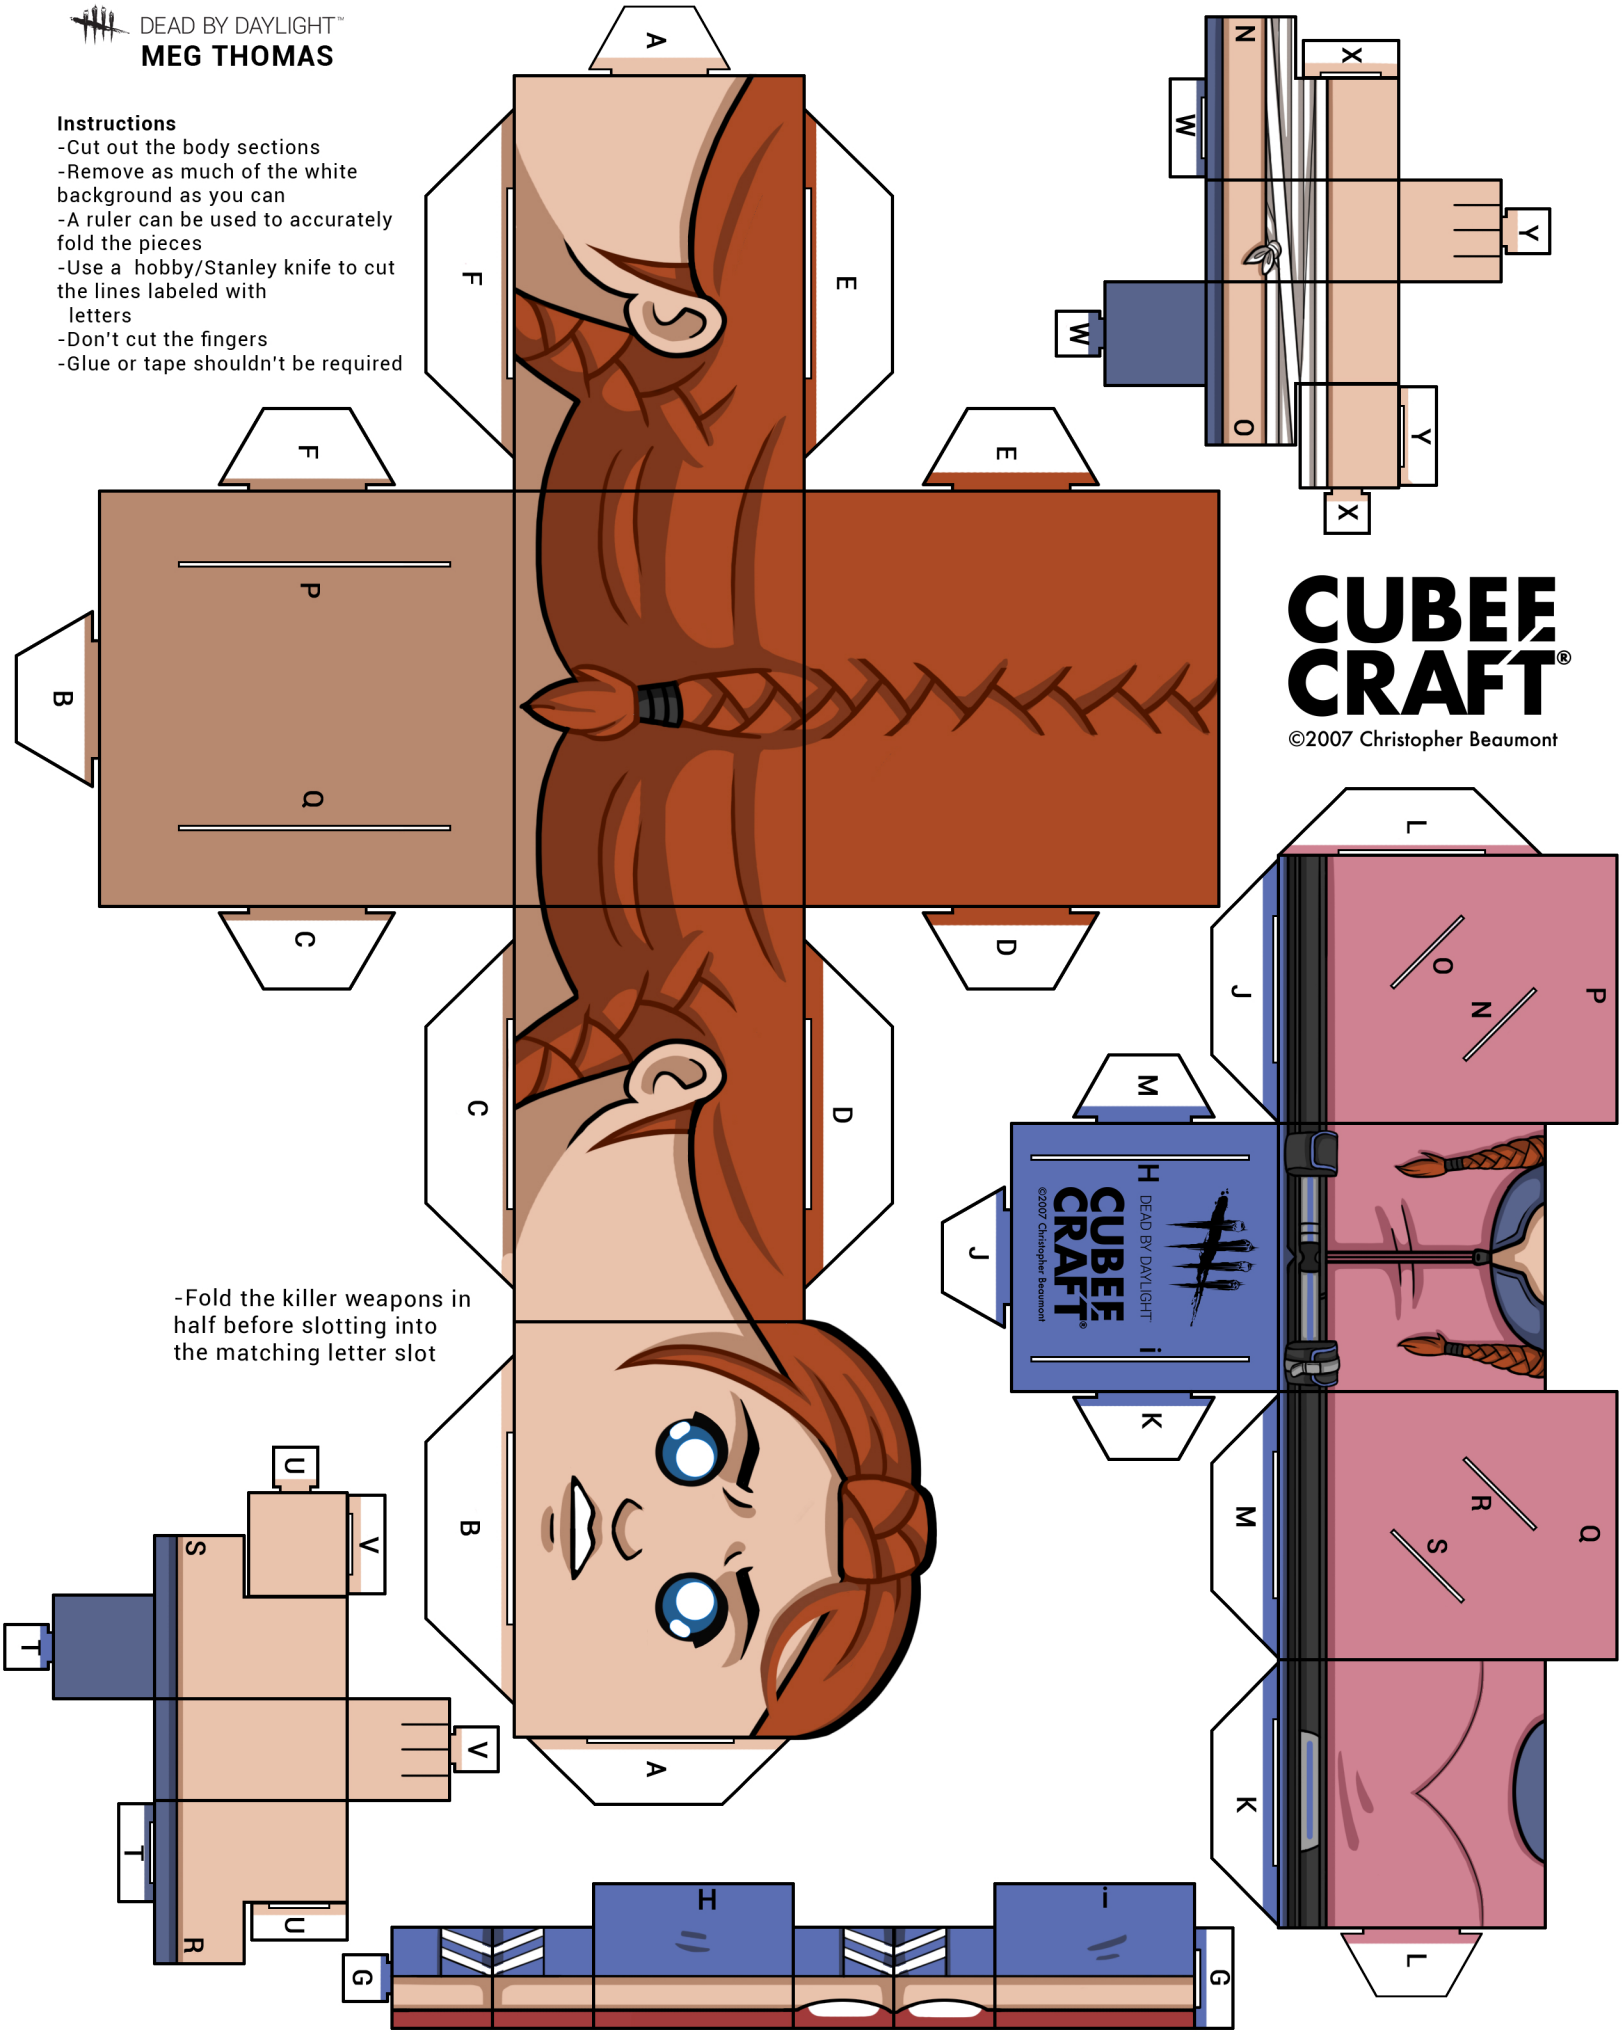
DEAD BY DAYLIGHT™

MEG THOMAS

Instructions

-Cut out the body sections
-Remove as much of the white background as you can
-A ruler can be used to accurately fold the pieces
-Use a hobby/Stanley knife to cut the lines labeled with letters
-Don't cut the fingers
-Glue or tape shouldn't be required



CUBEE CRAFT®

©2007 Christopher Beaumont

-Fold the killer weapons in half before slotting into the matching letter slot
